MEMORANDUM

TO: LAWRENCE M. NOBLE
GENERAL COUNSEL

THROUGH: JOHN C. SURINA *John C. Surina*
STAFF DIRECTOR

FROM: JOHN D. GIBSON *John D. Gibson*
ASSISTANT STAFF DIRECTOR
REPORTS ANALYSIS DIVISION

SUBJECT: REFERRAL OF AMERICAN FEDERATION OF STATE,
COUNTY & MUNICIPAL EMPLOYEES - PEOPLE

This is a referral of the American Federation of State, County & Municipal Employees - PEOPLE ("the Committee") for making reimbursements to its connected organization for contributions to federal candidates and for making excessive contributions to federal candidates and political committees totaling \$45,995 during 1996. The Committee disclosed a total of \$15,995 in reimbursements to its connected organization for in-kind contributions to federal candidates, on the 1996 June, July and September Monthly reports, and failed to provide the date(s) on which the connected organization conducted the activity. In addition, the Committee made excessive contributions to two (2) federal candidates totaling \$5,000 during the 1996 30 Day Post-General reporting period and either redesignated the apparent excessive contribution sixty-two (62) days after the date of the RFAI or failed to properly redesignate it. The Committee also disclosed excessive contributions totaling \$25,000 to five (5) affiliated party committees during the 1996 30 Day Post-General and Year End reporting periods. As of this date, the Committee has not received refunds of the excessive contributions to the affiliated committees. According to the 1995-1996 RAD Review and Referral Procedures for Unauthorized Committees further examination is required by your office.

The Committee was referred to the Audit Division on June 6, 1997 for a possible 2 U.S.C. §438(b) audit covering the 1995-96 election cycle (see A97-141). The Commission voted on June 24, 1997 not to include it in the pool for a potential audit.

Please also see the companion referrals for the Association of Trial Lawyers of America Political Action Committee (97L-26) and the Texas State and County Democratic Committees (97L-28) with respect to the excessive contributions made to the affiliated committees.

If you have any questions regarding this matter, please contact Andrew Dodson at 219-3580.

- II. RELEVANT STATUTE: 2 U.S.C. §441a (a)(2)(c)
2 U.S.C. §441b
- III. BACKGROUND:

Reimbursements to the Connected Organization for Contributions to Federal Candidates and Apparent Excessive Contributions Made to Federal Candidates and Affiliated Committees

The American Federation of State, County & Municipal Employees - PEOPLE ("the Committee") disclosed a total of \$15,995 in reimbursements to its connected organization for in-kind contributions to federal candidates during the 1996 July, August and September Monthly reporting periods (See Chart 1).

On November 26, 1996, the Reports Analysis Division ("RAD") analyst sent two (2) Requests for Additional Information ("RFAs") to the Committee concerning possible impermissible contributions to federal candidates. The RFAs requested that the Committee amend its reports to clarify whether the payments to its connected organization were intended to influence federal elections and provide the dates on which the connected organization conducted the activity (Attachment 2).

On December 19, 1996 a Second Notice was sent to the Committee for failure to respond to the RFAs dated November 26, 1996 (Attachment 3).

On January 2, 1997, the Committee's Associate General Counsel, Robert D. Lenhard, responded to the RFAIs of November 26, 1996. In his response Mr. Lenhard indicated that "The contributions PEOPLE reported were for in-kind contribution[sic] of telephone bank calls in support of the listed candidates. Those calls were made from facilities owned and operated by AFSCME International. Thus, AFSCME International acted as a vendor of telephone bank services to the PEOPLE committee." The response, however, failed to provide the date(s) on which AFSCME International originally provided the services to the federal candidates (Attachment 4).

The Committee subsequently disclosed a total of \$5,000 in apparent excessive contributions to two (2) federal candidates during the 1996 30 Day Post-General reporting period (See Chart 1).

On April 16, 1997, the RAD analyst sent an RFAI to the Committee concerning several possible excessive contributions to federal candidate committees. The RFAI informed the Committee of the apparent excessive contributions and advised the Committee to request a refund or redesignation of the excessive amounts (Attachment 5).

On May 8, 1997, a Second Notice was sent to the Committee for failure to respond to the RFAI dated April 16, 1997 (Attachment 6).

On June 17, 1997, the Committee responded to the RFAI of April 16, 1997. The Committee's response redesignated one of the apparent excessive contributions and responded inadequately with respect to the other apparent excessive contribution because the candidate was not involved in a Special Election (Attachment 7).

The Committee also disclosed a total of \$25,000 in apparent excessive contributions to five (5) affiliated party committees during the 1996 30 Day Post-General and Year End reporting periods (See Chart 2).

On July 17, 1997, the RAD analyst sent an RFAI to the Committee concerning possible excessive contributions made to affiliated state and county party committees in Texas totalling \$25,000 (Attachment 8).

On August 4, 1997, the Committee's General Counsel, Larry P. Weinberg, responded to the RFAI of July 17, 1997. In a cover letter, Mr. Weinberg stated that "The contributions to the county committees were made with the understanding that those committees are not affiliated with the Texas Democratic Party or each

other. On that basis, it was, and is, our position that the contributions in question did not exceed statutory limits. However, in light of the questions raised in your July 17 letter, we have sent the attached letters to each of the county committees that were recipients of the contributions in question asking that they either refund the contribution or provide us with support for the position that they are not affiliated with the Texas State Democratic Party." (Attachment 9).

On August 7, 1997, a Second Notice was sent to the Committee, referencing the 1996 30 Day Post-General and Year End Reports, that further explained that local party committees within a state are presumed to be affiliated with the state party committee, and with each other, and therefore share a contribution limit for one political committee. The Second Notice informed the Committee that it should seek refunds for any contribution in excess of \$5,000 (Attachment 10).

On August 28, 1997, the Committee's General Counsel, Larry P. Weinberg, responded to the Second Notice of August 8, 1997. In the response Mr. Weinberg indicated that two of the county committees had informed the Committee that the contributions were lawful and that neither had issued a refund. Mr. Weinberg indicated that the Committee would issue follow up letters to the two county party committees that had not responded (Attachment 11).

On September 9 and 10, 1997, the RAD analyst called and left messages for Mr. Weinberg in an attempt to discuss the Committee responses of August 4 and August 28, 1997. Mr. Weinberg failed to return the calls from the RAD analyst (Attachment 12).

On September 11, 1997, the RAD analyst called Mr. Robert Lenhard to discuss the Committee response to the RFAI of November 26, 1996. The RAD analyst stated that the Committee had failed to provide the date(s) that AFSCME International originally provided the services to the federal candidates and that this activity was part of a referral to the Office of General Counsel. Mr. Lenhard stated that he would provide the requested information as soon as possible. As of this date the Committee has failed to respond (Attachment 13).

Dear Mr. Lucy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report discloses \$7,995 in payments to your connected organization for in-kind contributions to federal candidates (pertinent portion(s) attached). 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election; however, a connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Please amend your report to clarify whether the payments to your connected organization were for expenditures which were intended to influence federal elections and provide the dates of the activity conducted by your connected organization. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

-It appears that the figures you have disclosed on Lines 21(a)(ii) through 24, Columns A and B of the Detailed Summary Page have been inadvertently recorded on the incorrect lines. Please amend your report to disclose your figures on the correct lines of the Detailed Summary Page.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this

(8/1/96-8/31/96) reports

Dear Mr. Lucy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your reports disclose \$8,000 in payments to your connected organization for in-kind contributions to federal candidates (pertinent portion(s) attached). 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election; however, a connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Please amend your reports to clarify whether the payments to your connected organization were for expenditures which were intended to influence federal elections and provide the dates of the activity conducted by your connected organization. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on

letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Re: AFSCME PEOPLE - FEC # C00011114

Dear Mr. Dodson:

I am in receipt of your letters of November 26, 1996, regarding four payments by the PEOPLE committee to AFSCME International in regards to candidates for federal office. Those letters have been forwarded to me by Mr. Lucy for response on behalf of AFSCME-PEOPLE.

As to the substance of your inquiry regarding payments PEOPLE made to AFSCME International, the reports PEOPLE filed are accurate. The contributions PEOPLE reported were for in-kind contribution of telephone bank calls in support of the listed candidates. Those calls were made from facilities owned and operated by AFSCME International. Thus, AFSCME International acted as a vendor of telephone bank services to the PEOPLE committee. AFSCME International provides phone bank services to organizations other than PEOPLE, and PEOPLE was charged the normal and usual rate that AFSCME International charges other organizations for these services. Because PEOPLE paid the costs of these services, no union funds were expended on behalf of any candidate for federal office.

I appreciate your courtesy and attention to this matter. If you have any questions, please feel free to contact the undersigned.

Sincerely,

Robert D. Lenhard

Reference: 30 Day Post-General Report (10/16/96-11/25/96)

Dear Mr. Lucy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the candidate(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on

Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.2(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Line 23 of the Detailed Summary Page of your report discloses a total of \$259,250 in contributions to federal candidates. The sum of the entries itemized on Schedule B, however, indicates the total to be \$260,250. Please amend your report to clarify the discrepancy.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Re: 30 Day Post-General Report (10/16/96-11/25/96)

Dear Mr. Dodson:

Enclosed you will find an amended FEC report for the 30 Day Post-General Report (10/16/96 - 11/25/96). This report is being amended to reflect the following:

1. The contribution to Shelia Jackson-Lee in the amount of \$2,500.00 should have been reported as a 1996 Special General Contribution instead of a 1996 General Contribution.

2. The contribution to Elijah Cummings in the amount of \$2,500.00 charged to the 1996 General Contribution is being redesignated as a debt retirement for the 1996 Special General Election.

3. The contribution to Mel Watt for Congress in the amount of \$3,500.00 should have been listed as \$2,500.00. This correction clarifies the discrepancy of the entries itemized on Schedule B with Line 23 of the Detailed Summary Page--both should equal \$259,250.00.

If you have any questions, please do not hesitate to contact me at (202) 429-1042.

Sincerely yours,

Diane M. Heise

Reference: 30 Day Post-General Report (10/16/96-11/25/96)

Dear Mr. Lucy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the candidate(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on

Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.2(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Line 23 of the Detailed Summary Page of your report discloses a total of \$259,250 in contributions to federal candidates. The sum of the entries itemized on Schedule B, however, indicates the total to be \$260,250. Please amend your report to clarify the discrepancy.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Dear Mr. Lucy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a committee from making contributions to another political committee and its affiliates in excess of \$5,000 per calendar year.

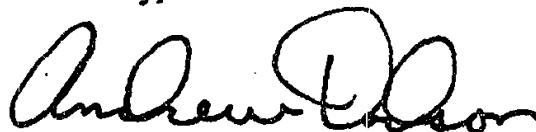

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$5,000.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received.

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. RE: 30 Day Post-General (10/16/96-11/25/96) and
Year End (11/26/96-12/31/96) Reports

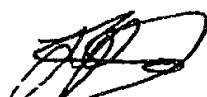

Dear Mr. Dodson:

This is in response to your letter dated July 17, 1997, to William Lucy, Treasurer of AFSCME/PEOPLE, regarding the above-captioned matter.

The contributions questioned in your letter were correctly reported. The contributions to the county committees were made with the understanding that those committees are not affiliated with the Texas Democratic Party or with each other. On that basis, it was, and is, our position that the contributions in question did not exceed statutory limits. However, in light of the questions raised in your July 17 letter, we have sent the attached letters to each of the county committees that were recipients of the contributions in question asking that they either refund the contribution or provide us with support for the position that they are not affiliated with the Texas State Democratic Party.

Please contact me directly if you have any other inquiries regarding this matter.

Sincerely,

Larry P. Weinberg
General Counsel

Dear Ms. Brennan,

We have received a letter from the Federal Election Commission in which it appears that the Commission is taking the position that your committee is affiliated with the Texas Democratic Party for purposes of the contribution limitations contained in the Federal Election Campaign Act.

It was our understanding that your committee was not, in fact, affiliated with the state democratic party, and it was on that basis that we made a contribution to your committee on December 4, 1996 in addition to the \$5,000 contribution we had made to the state party. If the Commission is correct in asserting that you are affiliated with the state democratic party for purposes of the contribution limits contained in the Act, we are requesting that you refund the \$5,000 AFSCME contributed to your committee.

If it is your position that your committee is not affiliated with the state democratic party, please advise us of the basis for that position so that we can determine what course of action is appropriate for AFSCME in this matter.

Sincerely,

Dear Mr. Lucy:

On July 17, 1997, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 4, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule B of your report discloses contributions which appear to exceed the limits set forth in the Act (copies attached). Your response states, "The contributions to the county committees were made with the understanding that those committees are not affiliated with the Texas Democratic Party or each other. On that basis, it was, and is, our position that the contributions in question did not exceed the statutory limits."

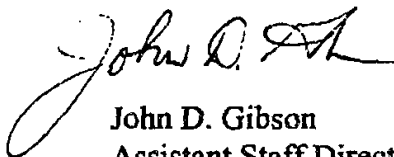

Please note that local party committees within a state are presumed to be affiliated with the state party committee and therefore considered affiliated with each other, thus sharing the contribution limit for one political committee. A local party committee may be considered independent of the state party committee if it can meet certain standards. See 11 CFR §110.3(b)(3)(i) and (ii). If these local party committees feel they are not affiliated, they should submit an Advisory Opinion Request to the Commission.

The Commission acknowledges that you have sent letters to the respective Texas county party committees requesting a refund or clarification concerning their affiliation with the Texas Democratic Party. The Commission awaits confirmation that your committee received refunds from these committees for the amount(s) in excess of \$5,000.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Andrew Dodson on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Dear Mr. Gibson:

I have just received your letter of August 7, 1997 addressed to William Lucy, Treasurer of AFSCME/People.

In the first place, I would like to point out that the letter to which you are apparently responding was from me, not Mr. Lucy; was dated August 1, not August 4, and specifically requested that your office contact me directly if there were further inquiries regarding this matter. Had you complied with that request, you would have received a more timely response to your letter. Having said that, I will now respond to the substance of your letter.

While you may not have liked my response to your July 17, 1997 letter initiating this matter, it was neither incomplete nor inadequate. Since sending that letter, we have received responses from two of the four county parties advising AFSCME/People that they are currently addressing this issue with the FEC and have provided information to the Commission to demonstrate that the state and county parties are not affiliated, as that term is defined under the Commission's regulations. Since it is their position that the contributions were lawful, neither of those county parties has issued a refund. We are sending follow up letters to the other two county committees that have not responded.

If you have any other inquiries regarding this matter, please contact me directly.

Sincerely,

Larry P. Weinberg

DATE: September 11, 1997

SUBJECT: Incomplete response to the Requests For Additional

I spoke to Mr. Lenhard today and informed him that his response to the RFAI's referencing the 1996 July, August and September monthly reports was incomplete due to the failure to provide the date(s) that the in-kind contributions were originally provided to the federal candidates. Mr. Lenhard stated that he would provide the information to the Commission as soon as possible. I also informed Mr. Lenhard that the Commission was in the process of referring the activity disclosed on the 1996 30 Day Post General and Year End Reports to the Office of the General Counsel and of the attempts to contact Mr. Weinberg.
